

Volunteers for Goto City English Summer Camp

Goto City, Nagasaki Pref. holds English Summer Camp for junior high school students every year. The camp aims to have students improve their English and communication skills by providing them opportunities to spend only in English and let them interact with Univ. students. The organizer of the camp, Goto City, is announcing to call for supporter volunteers this year again!

You don't need to be an English native speaker nor fluent in English! Don't hesitate to sign in if you can speak English for daily use or hard learner of English!!
